

COVID-19 POLICIES AND PROCEDURES:

- Masks are optional at this time for students and staff.
- Hand sanitizer is available for students and staff. It is recommended that all students wash their hands with soap before attending class and again once they return home.
- Students should **not come to class** if they have a fever or any symptoms of COVID-19, including chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea. **Students who arrive to class and present with any of these symptoms will be sent home.**
- Students should not come to class until they have been symptom-free for 10 days if they have had known contact with a person who has tested positive for COVID-19, or if they have had a positive COVID-19 test result themselves.

HOW TO ENTER + EXIT THE STUDIO:

- Parents of students in Tiny Ballet and Primary level classes will enter the studio with their child to ensure they go potty and get their shoes on before class.
- **TINY BALLET ONLY:** Because the class is only 30 minutes, we ask that parents remain on the premises for the duration of class either in their vehicles or wait inside the lobby.
- Students in levels Elementary on up can be dropped off at the door. However, for PICK UP, a parent must enter the studio to sign their student out after class to ensure their safety.
- Parents are welcome to wait inside studio lobby during their child's class or drop off. (Parents of Tiny Ballet, see note above).

All studio classes are subject to changes in status based on COVID-19 statistics. As much notice as possible will be given if and when changes need to be made to the regular weekly schedule. We appreciate your cooperation and flexibility while we make real-time adjustments to our programming during the pandemic.
